

I am the President of The Oceanfront Merchants Association(OMA) in Downtown, Myrtle Beach. OMA is an organization comprised of business and property owners with the same common goal of entertaining and promotion for downtown Myrtle Beach. We have utilized “Bryan Dangerous” for three summer seasons entertainment schedules and have had wonderful success to our programs with the aid of him each year.

Our area entertains many people of many demographics and parts of the country and world for that matter. We have had great responses from the tourists as well as locals who have come down to join us downtown and enjoy our entertainment. Bryan Dangerous has never failed to form and keep a crowd entertained.

Our organization has formed a relationship with the Bryan Dangerous and we are hoping to continue growing with him as we accomplish our objectives.

If anyone would like feedback or have questions, please feel free to contact me at 843 997 6695

Sincerely,

Jonathan Staton
